DIVERSE AND HIGHLY-CREDENTIALIED STUDENTS

1 “I received a generous scholarship from UF Law. That financial stability, coupled with the campus, being a part of the Gator culture and the Gator history, just made sense. I got accepted into a few other schools, some in the northeast, some on the West Coast, but I just knew that UF Law was where I wanted to be.”

— DANIEL-JOHN SEWELL (JD 19)

SUPERIOR JOB PLACEMENT

2 “My professors provided support throughout every step of the job search process. Additionally, the alumni in New York read my résumé, prepared me for interviews, and made time to meet with me whenever I came to the city. Members of the UF Law community not only supported my pursuit of a dream job; they were invested in it.”

— JENNIFER DWECK (JD 17)
Associate, Skadden, Arps, Slate Meagher & Flom LLP and Affiliates

CUTTING-EDGE FACULTY AND PROGRAMS

3 “The clinics are where practice meets education. In them, students apply the theory and skills that they are taught in the classroom to live clients. Clinic students have a head start when they go into practice. By funding these critical needs, we can provide even more opportunities for our students to be practice-ready lawyers upon graduation.”

— SILVIA MENENDEZ
Associate Dean for Experiential Learning
